

July 29<sup>th</sup> 1967  
Notes on a case in Charity Hospital,  
New Orleans, Louisiana.

On July 4<sup>th</sup> I met a young woman  
from a small town in East Texas who  
told me this tale:

She heard it from a doctor in Shreveport  
who also practices in New Orleans.

On Nov 22, 1963 early in the morning  
a woman brought in to Charity Hospital  
was in a deplorable state, suffering from  
exposure, beating, etc. She was unconscious,  
probably under narcotics. Later in the  
day she revived and an intern told her  
that John F. Kennedy had been assassinated  
in Dallas and a fellow named Oswald  
had been picked up and charged with the  
killing. Her reaction was "Did they get Ruby too?"

No one thought much of it until Sunday  
when Ruby shot Oswald. The woman had  
been discharged by then and when the  
F. B. I. was told of this they could not  
find a trace of her. So much for that!

RE: ROSE CHERAMIE

---

I talked to DAVE SWEIFEL of the Capitol Times Newspaper in Madison, Wisconsin, and he informed me that DR. OWEN had completely changed his story according to an account that was printed today in the Wisconsin State Journal. It seems that OWEN now says that the event did not come about as he had told SWEIFEL in the presence of Circuit Judge BARDWELL but that he was only recounting what had been told to him in a psychology discussion session by a doctor teaching classes in New Orleans. DR. OWEN cannot be reached by telephone and the hospital has given instructions that he will not comment on this any more and that he has taken a week's vacation. I gave SWEIFEL some background information on ROSE CHERAMIE and DR. WEISS and he said that he would pursue this matter for us and report his findings to us.

TO: JIM GARRISON, DISTRICT ATTORNEY  
FROM: FRANK MELOCHE, INVESTIGATOR  
RE: ROSE CHERAMI

---

On February 25, 1967, I had occasion to investigate one ROSE CHERAMI, a white female. On November 20, 1963, ROSE CHERAMI was picked up by LT. FRANCIS FRUGE of the Louisiana State Police on Highway 190 near Eunice, Louisiana. Subject was suppose to have been thrown from a vehicle by two white males. ROSE CHERAMI was brought to the Moosa Hospital in Eunice, Louisiana, for treatment and then returned to the Eunice jail where she was suspected of having narcotic withdrawals. Assistant Coroner of St. Landry Parish, DR. F. J. DeROUEN, was called in and he gave ROSE a sedative and later had to be called again when she became violent, stripped herself of her clothing, and cut her ankles. DR. DeROUEN agreed to commit ROSE to Jackson (East Louisiana State Hospital). ROSE was brought to Jackson in an ambulance from Charity Hospital in Lafayette accompanied by a Eunice Police Officer. ROSE remained in confinement until November 26, 1963. It was during this time between the 20th and 26th of November, 1963, that DR. VICTOR J. WEISS, JR., of San Antonio, Texas, was house psychiatrist in Jackson. WEISS stated that during her stay at Jackson, ROSE had told him that she knew both RUBY and OSWALD and had seen them sitting together on occasions at Ruby's Club. When asked about the statement that MR. A. H. MAGRUDER had given to me he (MAGRUDER) states that she told DR. WEISS that the President and other Texas public officials were going to be killed on their visit to Dallas. DR. WEISS states that he doesn't recall whether this was told to him before or after the assassination.

On November 26, 1963, LT. FRUGE was notified by DR. WEISS that ROSE CHERAMI had completed her withdrawals and he could now talk with her. She gave LT. FRUGE some information about a narcotic ring working between Louisiana and Houston. ROSE CHERAMI was released to CAPTAIN BEN MORGAN and LT. FRUGE of the State Police and ANNE DIECHLER of the Revenue Division, and flew to Houston for further investigation of narcotics. While in flight, ROSE CHERAMI picked up a newspaper with headlines of RUBY killing OSWALD and further on down in the newspaper it stated where RUBY denied ever knowing or seeing OSWALD in his life. ROSE CHERAMI laughed and stated to LT. FRUGE that RUBY AND OSWALD were very good friends. They had been in the Club (RUBY'S) together and also stated that RUBY AND OSWALD were bed partners. Upon arrival at Houston she again repeated this story to CAPTAIN MORGAN. When asked to talk to the Federal authorities about this, she refused and stated that she did not want to get involved in this mess. All information on narcotic ring that was given to

LT. FRUGE by ROSE CHERAMI was true and good information. ROSE was left in Houston and LT. FRUGE reported back to Louisiana.

On March 6, 1967, I met LT. FRUGE in Houston and continued a search for ROSE CHERAMI. A thorough search was made of Houston and Dallas, checking first on her mother, MRS. THOMAS J. YOUNGBLOOD, residing at 125 Carby Road, Houston, Texas. Subject, MRS. YOUNGBLOOD, had moved from there to places unknown about two years ago. A further check revealed that MRS. MORRIS WALL, 3626 La Joya Drive, Dallas, Texas, is the sister of ROSE CHERAMI. I contacted MRS. WALL and was informed that on September 4, 1965, ROSE was hit by a car and killed outside of Gladewarther, Texas, while walking on Highway 155 approximately one and one-half miles East of Big Sandy, Texas, at about 2:00 A.M. Under Texas law I was unable to obtain a copy of the accident report. I verified the above accident and death through LT. SHAWLS of the State Police. The investigator officer was Texas State Trooper J. A. ANDREWS, 918 Success Street, Gilmer, Texas, telephone TI 3-2654. The driver of the vehicle was JERRY DON MOORE, 1425 E. MEMORANDUM

March 13, 1967

TO: JIM GARRISON, DISTRICT ATTORNEY  
FROM: FRANK MELOCHE, INVESTIGATOR  
RE: ROSE CHERAMI

On February 25, 1967, I had occasion to investigate one ROSE CHERAMI, a white female. On November 20, 1963, ROSE CHERAMI was picked up by LT. FRANCIS FRUGE of the Louisiana State Police on Highway 190 near Eunice, Louisiana. Subject was suppose to have been thrown from a vehicle by two white males. ROSE CHERAMI was brought to the Moosa Hospital in Eunice, Louisiana, for treatment and then returned to the Eunice jail where she was suspected of having narcotic withdrawals. Assistant Coroner of St. Landry Parish, DR. F. J. DeROUEN, was called in and he gave ROSE a sedative and later had to be called again when she became violent, stripped herself of her clothing, and cut her ankles. DR. DeROUEN agreed to commit ROSE to Jackson (East Louisiana State Hospital). ROSE was brought to Jackson in an ambulance from Charity Hospital in Lafayette accompanied by a Eunice Police Officer. ROSE remained in confinement until November 26, 1963. It was during this time between the 20th and 26th of November, 1963, that DR. VICTOR J. WEISS, JR., of San Antonio, Texas, was house psychiatrist in Jackson. WEISS stated that during her stay at Jackson, ROSE had told him that she knew both RUBY and OSWALD and had seen them sitting together on occasions at Ruby's Club. When asked about the statement that MR. A. H. MAGRUDER had given to me he (MAGRUDER) states that she told DR. WEISS that the President and other Texas public officials were going to be killed on their visit to Dallas. DR. WEISS states that he doesn't recall whether this was told to him before or after the assassination.

LT. FRUGE?

On November 26, 1963, LT. FRUGE was notified by DR. WEISS that ROSE CHERAMI had completed her withdrawals and he could now talk with her. She gave LT. FRUGE some information about a narcotic ring working between Louisiana and Houston. ROSE CHERAMI was released to CAPTAIN BEN MORGAN and LT. FRUGE of the State Police and ANNE DIECHLER of the Revenue Division, and flew to Houston for further investigation of narcotics. While in flight, ROSE CHERAMI picked up a newspaper with headlines of RUBY killing OSWALD and further on down in the newspaper it stated where RUBY denied ever knowing or seeing OSWALD in his life. ROSE CHERAMI laughed and stated to LT. FRUGE that RUBY AND OSWALD were very good friends. They had been in the Club (RUBY'S) together and also stated that RUBY AND OSWALD were bed partners. Upon arrival at Houston she again repeated this story to CAPTAIN MORGAN. When asked to talk to the Federal authorities about this, she refused and stated that she did not want to get involved in this mess. All information on narcotic ring that was given to

LT. FRUGE by ROSE CHERAMI was true and good information. ROSE was left in Houston and LT. FRUGE reported back to Louisiana.

On March 6, 1967, I met LT. FRUGE in Houston and continued a search for ROSE CHERAMI. A thorough search was made of Houston and Dallas, checking first on her mother, MRS. THOMAS J. YOUNGBLOOD, residing at 125 Carby Road, Houston, Texas. Subject, MRS. YOUNGBLOOD, had moved from there to places unknown about two years ago. A further check revealed that MRS. MORRIS WALL, 3626 La Joya Drive, Dallas, Texas, is the sister of ROSE CHERAMI. I contacted MRS. WALL and was informed that on September 4, 1965, ROSE was hit by a car and killed outside of Gladewater, Texas, while walking on Highway 155 approximately one and one-half miles East of Big Sandy, Texas, at about 2:00 A.M. Under Texas law I was unable to obtain a copy of the accident report. I verified the above accident and death through LT. SHAWLS of the State Police. February 23, 1967

TO: JIM GARRISON, DISTRICT ATTORNEY  
FROM: DET. FRANK MELOCHE and SGT. FENNER SEDGEBEER  
RE: STATEMENT OF MR. A. H. MAGRUDER

My name is A. H. MAGRUDER and I live at 4312 Duplessis Street, Parkchester Apartments. My phone number is 282-7542, answering service 947-2181. I am 47 years old and self-employed as a manufacture representative.

During the Christmas holidays, that date being Christmas of 1963 to New Years of 1964, I returned from a hunting trip with DR. VICTOR J. WEISS who at the time was Clinical Director of East Louisiana State Hospital in Jackson, Louisiana. We were sitting at my home near St. Francisville, Louisiana, just having a big bull session and he related the story that I am going to tell you. This is in connection with the KENNEDY assassination.

DR. WEISS said that prior to the KENNEDY assassination by several days, that the Louisiana State Police had picked up a woman on Highway 190 near Eunice, Louisiana, and that she had apparently been thrown out of an automobile from her physical appearance. The police thought that she was psychic so they took her to the East Louisiana State Hospital. DR. WEISS gave her a thorough physical and psychiatric examination and determined that she was a narcotic addict and was having withdrawal symptoms. She told him that she worked as a dope runner for JACK RUBY. I believe she also mentioned that she worked in the night club for RUBY and that she was forced to go to Florida with another man whom she did not name to pick up a shipment of dope to take back to Dallas, that she didn't want to do this thing but she had a young child and that they would hurt her child if she didn't. She and this male companion of hers got into some kind of argument or fight and he beat her up and pushed her out of the car. She also told DR. WEISS that the President and other Texas Public Officials were going to be killed on their visit to Dallas. DR. WEISS said that he didn't really pay much attention to a woman of this type until after the assassination occurred at which time he went back to this woman who was still in the hospital and had further conversation with her. Now this was also after RUBY had killed OSWALD and she did say that she had seen OSWALD sitting at the same table at RUBY's club but didn't elaborate any further. About two nights later the FBI came to East Louisiana State Hospital and picked this woman up and DR. WEISS had to sign the papers for her release at that time. That's about all. I've given you DR. WEISS' address and phone number.

*Indicate that she did say this before the assassination

*Note: This woman has the FBI coming to pick her up. If this was the case, how did she get to Houston with Fray?*

Notes on a case in Charity Hospital,  
New Orleans, Louisiana.

On July 4<sup>th</sup> I met a young woman  
from a small town in East Texas who  
told me this tale:

She heard it from a doctor in Shreveport  
who also practices in New Orleans.

On Nov 22, 1963 early in the morning  
a woman brought in to Charity Hospital  
was in a deplorable state, suffering from  
exposure, beating, etc. She was unconscious,  
probably under narcotics. Later in the  
day she revived and an intern told her  
that John F. Kennedy had been assassinated  
in Dallas and a fellow named Oswald  
had been picked up and charged with the  
killing. Her reaction was "Did they get Ruby too?"

No one thought much of it until Sunday  
when Ruby shot Oswald. The woman had  
been discharged by then and when the  
F. B. I. was told of this they could not  
find a trace of her. So much for that!

RE: ROSE CHERAMIE

---

I talked to DAVE SWEIFEL of the Capitol Times Newspaper in Madison, Wisconsin, and he informed me that DR. OWEN had completely changed his story according to an account that was printed today in the Wisconsin State Journal. It seems that OWEN now says that the event did not come about as he had told SWEIFEL in the presence of Circuit Judge BARDWELL but that he was only recounting what had been told to him in a psychology discussion session by a doctor teaching classes in New Orleans. DR. OWEN cannot be reached by telephone and the hospital has given instructions that he will not comment on this any more and that he has taken a week's vacation. I gave SWEIFEL some background information on ROSE CHERAMIE and DR. WEISS and he said that he would pursue this matter for us and report his findings to us.

TO: JIM GARRISON, DISTRICT ATTORNEY  
FROM: FRANK MELOCHE, INVESTIGATOR  
RE: ROSE CHERAMI

---

On February 25, 1967, I had occasion to investigate one ROSE CHERAMI, a white female. On November 20, 1963, ROSE CHERAMI was picked up by LT. FRANCIS FRUGE of the Louisiana State Police on Highway 190 near Eunice, Louisiana. Subject was suppose to have been thrown from a vehicle by two white males. ROSE CHERAMI was brought to the Moosa Hospital in Eunice, Louisiana, for treatment and then returned to the Eunice jail where she was suspected of having narcotic withdrawals. Assistant Coroner of St. Landry Parish, DR. F. J. DeROUEN, was called in and he gave ROSE a sedative and later had to be called again when she became violent, stripped herself of her clothing, and cut her ankles. DR. DeROUEN agreed to commit ROSE to Jackson (East Louisiana State Hospital). ROSE was brought to Jackson in an ambulance from Charity Hospital in Lafayette accompanied by a Eunice Police Officer. ROSE remained in confinement until November 26, 1963. It was during this time between the 20th and 26th of November, 1963, that DR. VICTOR J. WEISS, JR., of San Antonio, Texas, was house psychiatrist in Jackson. WEISS stated that during her stay at Jackson, ROSE had told him that she knew both RUBY and OSWALD and had seen them sitting together on occasions at Ruby's Club. When asked about the statement that MR. A. H. MAGRUDER had given to me he (MAGRUDER) states that she told DR. WEISS that the President and other Texas public officials were going to be killed on their visit to Dallas. DR. WEISS states that he doesn't recall whether this was told to him before or after the assassination.

On November 26, 1963, LT. FRUGE was notified by DR. WEISS that ROSE CHERAMI had completed her withdrawals and he could now talk with her. She gave LT. FRUGE some information about a narcotic ring working between Louisiana and Houston. ROSE CHERAMI was released to CAPTAIN BEN MORGAN and LT. FRUGE of the State Police and ANNE DIECHLER of the Revenue Division, and flew to Houston for further investigation of narcotics. While in flight, ROSE CHERAMI picked up a newspaper with headlines of RUBY killing OSWALD and further on down in the newspaper it stated where RUBY denied ever knowing or seeing OSWALD in his life. ROSE CHERAMI laughed and stated to LT. FRUGE that RUBY AND OSWALD were very good friends. They had been in the Club (RUBY'S) together and also stated that RUBY AND OSWALD were bed partners. Upon arrival at Houston she again repeated this story to CAPTAIN MORGAN. When asked to talk to the Federal authorities about this, she refused and stated that she did not want to get involved in this mess. All information on narcotic ring that was given to

LT. FRUGE by ROSE CHERAMI was true and good information. ROSE was left in Houston and LT. FRUGE reported back to Louisiana.

On March 6, 1967, I met LT. FRUGE in Houston and continued a search for ROSE CHERAMI. A thorough search was made of Houston and Dallas, checking first on her mother, MRS. THOMAS J. YOUNGBLOOD, residing at 125 Carby Road, Houston, Texas. Subject, MRS. YOUNGBLOOD, had moved from there to places unknown about two years ago. A further check revealed that MRS. MORRIS WALL, 3626 La Joya Drive, Dallas, Texas, is the sister of ROSE CHERAMI. I contacted MRS. WALL and was informed that on September 4, 1965, ROSE was hit by a car and killed outside of Gladewarther, Texas, while walking on Highway 155 approximately one and one-half miles East of Big Sandy, Texas, at about 2:00 A.M. Under Texas law I was unable to obtain a copy of the accident report. I verified the above accident and death through LT. SHAWLS of the State Police. The investigator officer was Texas State Trooper J. A. ANDREWS, 918 Success Street, Gilmer, Texas, telephone TI 3-2654. The driver of the vehicle was JERRY DON MOORE, 1425 E. Erwin Street, Tyler, Texas.

Note: Cherami's mother is Young -  
Blood; sister is Wall.

February 23, 1967

TO: JIM GARRISON, DISTRICT ATTORNEY  
FROM: DET. FRANK MELOCHE and SGT. FENNER SEDGEBEER  
RE: STATEMENT OF MR. A. H. MAGRUDER

My name is A. H. MAGRUDER and I live at 4312 Duplessis Street, Parkchester Apartments. My phone number is 282-7542, answering service 947-2181. I am 47 years old and self-employed as a manufacture representative.

During the Christmas holidays, that date being Christmas of 1963 to New Years of 1964, I returned from a hunting trip with DR. VICTOR J. WEISS who at the time was Clinical Director of East Louisiana State Hospital in Jackson, Louisiana. We were sitting at my home near St. Francisville, Louisiana, just having a big bull session and he related the story that I am going to tell you. This is in connection with the KENNEDY assassination.

DR. WEISS said that prior to the KENNEDY assassination by several days, that the Louisiana State Police had picked up a woman on Highway 190 near Eunice, Louisiana, and that she had apparently been thrown out of an automobile from her physical appearance. The police thought that she was psychic so they took her to the East Louisiana State Hospital. DR. WEISS gave her a thorough physical and psychiatric examination and determined that she was a narcotic addict and was having withdrawal symptoms. She told him that she worked as a dope runner for JACK RUBY. I believe she also mentioned that she worked in the night club for RUBY and that she was forced to go to Florida with another man whom she did not name to pick up a shipment of dope to take back to Dallas, that she didn't want to do this thing but she had a young child and that they would hurt her child if she didn't. She and this male companion of hers got into some kind of argument or fight and he beat her up and pushed her out of the car. She also told DR. WEISS that the President and other Texas Public Officials were going to be killed on their visit to Dallas. DR. WEISS said that he didn't really pay much attention to a woman of this type until after the assassination occurred at which time he went back to this woman who was still in the hospital and had further conversation with her. Now this was also after RUBY had killed OSWALD and she did say that she had seen OSWALD sitting at the same table at RUBY's club but didn't elaborate any further. About two nights later the FBI came to East Louisiana State Hospital and picked this woman up and DR. WEISS had to sign the papers for her release at that time. That's about all. I've given you DR. WEISS' address and phone number.

*Indicate that she did say this before the assassination
